

By Don May, Business Development Manager.

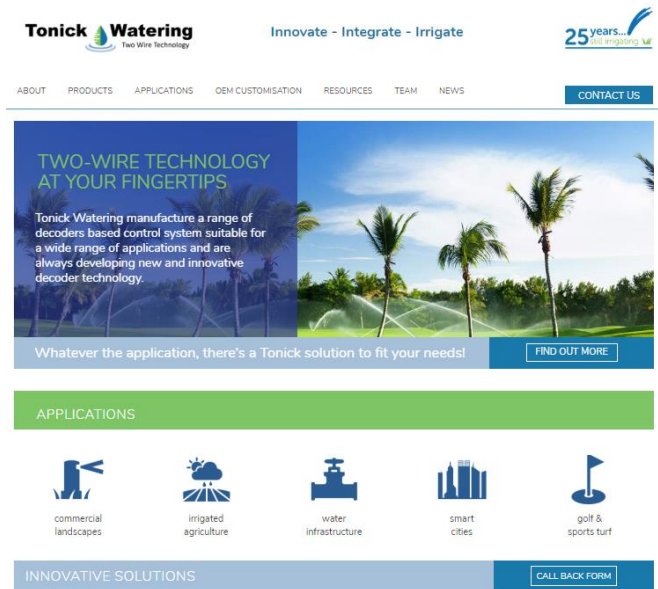

Visit the NEW Tonick Website for all product information, specification details and technical data!

It's finally here!

The Tonick Watering team is ecstatic to announce that the brand NEW Tonick website is finally ready for launch.... and is your convenient one stop for all and any relevant information to our range of solutions.

Our Marketing guru Andrea and Product manager Jason have been busy for the last few months ensuring that all data sheets and product information is up to date and ready for use!

Check out the >Team tab on the website to see who's who in the Tonick zoo!

www.tonick.com

Navigating the site.

The Tonick Watering website is designed to be easy to navigate and is packed full of downloadable information.
